*I.*

I see one dog and two cats. Do you see the three birds in the tree, and the four rats on the floor?

*II.*

Yes, and I see the new doll my good mamma' gave to Ann. I like the doll. It is a very pretty one. May I take it to ride?

*III.*

O yes! and I will put on my hat and take a ride too. Do you see me with my doll?

*IV.*

Do we not ride fast? See those five snowbirds in that tree. Are they not pretty birds?
