

LESSON XXIV.

READING REVIEW.

*I.*

Ann likes her small kitty. Its fur is soft and white. It saw the cat catch the big rat.

*II.*

Ann likes Rover too. She saw Rover run off with the hat. Here, Rover, here! You are a bad dog! Why did you run off with the hat?

*III.*

Ho, ho! Look at the boys and girls. See them go down the hill, over the snow. Now they go back, up the hill.

*IV.*

They are out at play. They will not get hurt. How merry they are! Ann, I will give you a ride on my sled. We will have a race with Rover and see how fast we can run.
