Name: _____

Counting Cubes to Find Volume A

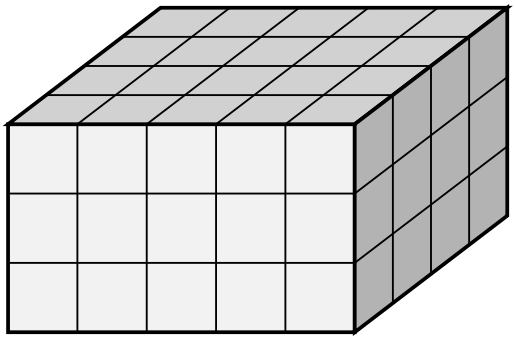

Each cube is 1 cubic unit. Find the volume of each prism.

1.

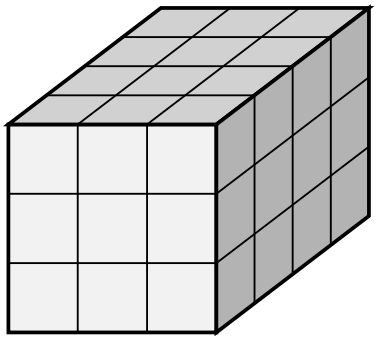

Volume = _____ cubic units

2.

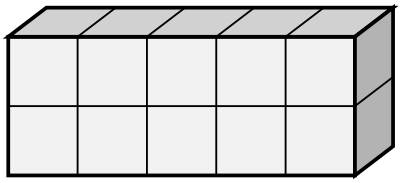

Volume = _____ cubic units

3.

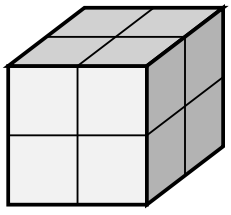

Volume = _____ cubic units

4.

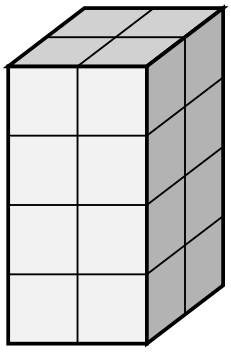

Volume = _____ cubic units

5.

Volume = _____ cubic units

6.

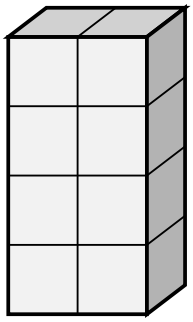

Volume = _____ cubic units

Name: **ANSWER KEY**

Counting Cubes to Find Volume A

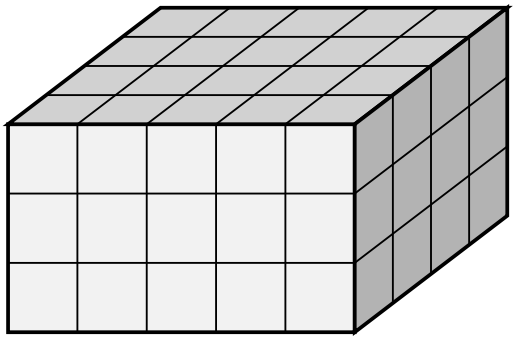

Each cube is 1 cubic unit. Find the volume of each prism.

1.

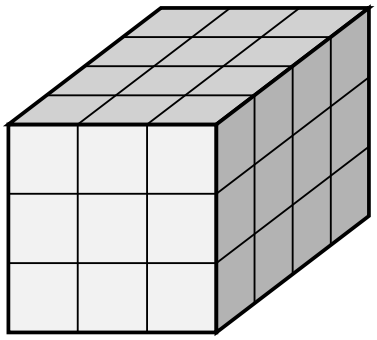

Volume = **8** cubic units

2.

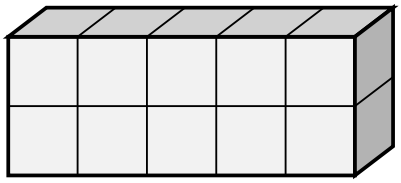

Volume = **60** cubic units

3.

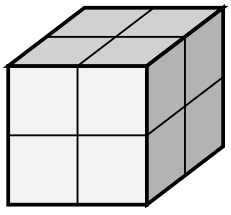

Volume = **36** cubic units

4.

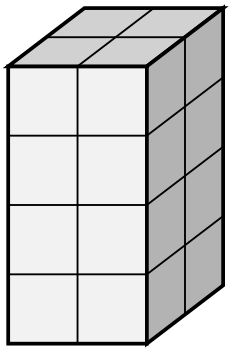

Volume = **10** cubic units

5.

Volume = **8** cubic units

6.

Volume = **16** cubic units
