Name: _____

Decimal Place Value

Write the value of the digit. Example: the value of 4 in 2.348 is 0.04.

1. What is the value of the digit 5 in 785.803?

   Answer: _____

2. What is the value of the digit 9 in 284.393?

   Answer: _____

3. What is the value of the digit 1 in 915.277?

   Answer: _____

4. What is the value of the digit 3 in 806.538?

   Answer: _____

5. What is the value of the digit 4 in 187.814?

   Answer: _____

6. What is the value of the digit 9 in 362.981?

   Answer: _____

7. What is the value of the digit 1 in 35.817?

   Answer: _____

8. What is the value of the digit 1 in 140.042?

   Answer: _____

9. What is the value of the digit 4 in 747.207?

   Answer: _____

10. What is the value of the digit 6 in 609.025?

    Answer: _____

11. What is the value of the digit 5 in 751.473?

    Answer: _____

12. What is the value of the digit 1 in 619.509?

    Answer: _____

13. What is the value of the digit 9 in 131.957?

    Answer: _____

14. What is the value of the digit 4 in 543.825?

    Answer: _____

15. What is the value of the digit 9 in 488.094?

    Answer: _____

16. What is the value of the digit 7 in 174.653?

    Answer: _____

Name: **ANSWER KEY**

Decimal Place Value

Write the value of the digit. Example: the value of 4 in 2.348 is 0.04.

1. What is the value of the digit 5 in 785.803?

   Answer: 5

2. What is the value of the digit 9 in 284.393?

   Answer: 0.09

3. What is the value of the digit 1 in 915.277?

   Answer: 10

4. What is the value of the digit 3 in 806.538?

   Answer: 0.03

5. What is the value of the digit 4 in 187.814?

   Answer: 0.004

6. What is the value of the digit 9 in 362.981?

   Answer: 0.9

7. What is the value of the digit 1 in 35.817?

   Answer: 0.01

8. What is the value of the digit 1 in 140.042?

   Answer: 100

9. What is the value of the digit 4 in 747.207?

   Answer: 40

10. What is the value of the digit 6 in 609.025?

    Answer: 600

11. What is the value of the digit 5 in 751.473?

    Answer: 50

12. What is the value of the digit 1 in 619.509?

    Answer: 10

13. What is the value of the digit 9 in 131.957?

    Answer: 0.9

14. What is the value of the digit 4 in 543.825?

    Answer: 40

15. What is the value of the digit 9 in 488.094?

    Answer: 0.09

16. What is the value of the digit 7 in 174.653?

    Answer: 70
