Name: _____

Predicate Nouns and Predicate Adjectives: Practice A

Underline the subject once and the linking verb twice. Label the predicate noun P.N. or the predicate adjective P.A.

Learn: A linking verb (is, are, was, seems, feels) links the subject to a word after the verb. A predicate noun renames the subject. A predicate adjective describes it.

Example: The lake was (P.A.) calm.

1. Max became a pilot.

2. Texas is a state.

3. Ben was the pitcher.

4. The oak is a tree.

5. The team was ready.

6. The soup tasted hot.

7. The spider is an arachnid.

8. The tomato is a fruit.

9. The ice felt cold.
