Name: _____

Predicate Nouns and Predicate Adjectives: Practice B

Underline the subject once and the linking verb twice. Label the predicate noun P.N. or the predicate adjective P.A.

Learn: A linking verb (is, are, was, seems, feels) links the subject to a word after the verb. A predicate noun renames the subject. A predicate adjective describes it.

Example: Mr. Lee was (P.N.) our coach.

1. The test seemed easy.

2. Ben was the pitcher.

3. The tomato is a fruit.

4. The garden looks beautiful.

5. Leo is the winner.

6. The runner grew tired.

7. The team was ready.

8. Zoe is my partner.

9. The lake was calm.
