Name: _____

Adjectives and Adverbs: Degrees: Practice B

Underline the subject once and the linking verb twice. Label the predicate noun P.N. or the predicate adjective P.A.

Learn: A predicate adjective comes after a linking verb and describes the subject (The soup is hot). A predicate noun renames it.

Example: Mia became (P.N.) captain.

1. The dog is a collie.

2. Ben was the pitcher.

3. The team was ready.

4. The baby became fussy.

5. The garden looks beautiful.

6. The robin is a bird.

7. Paris is a city.

8. The pillow feels soft.

9. Texas is a state.
