Name: _____

Graphs of Proportional Relationships

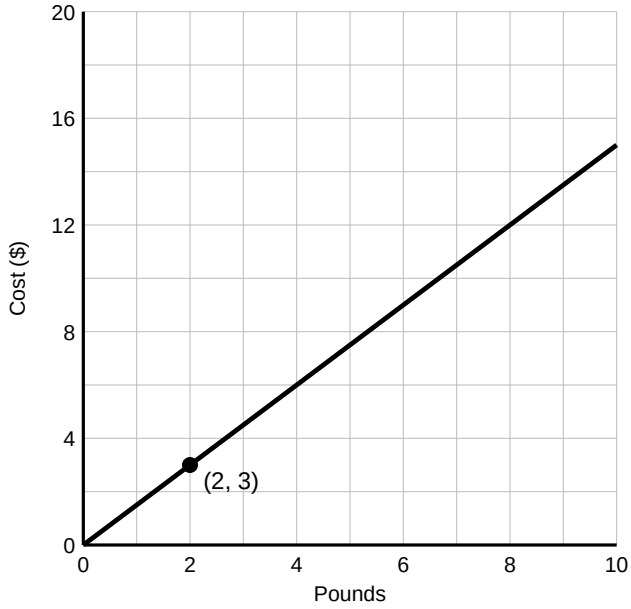

Each graph shows a proportional relationship. Use the labeled point to find k and write the equation.

1.

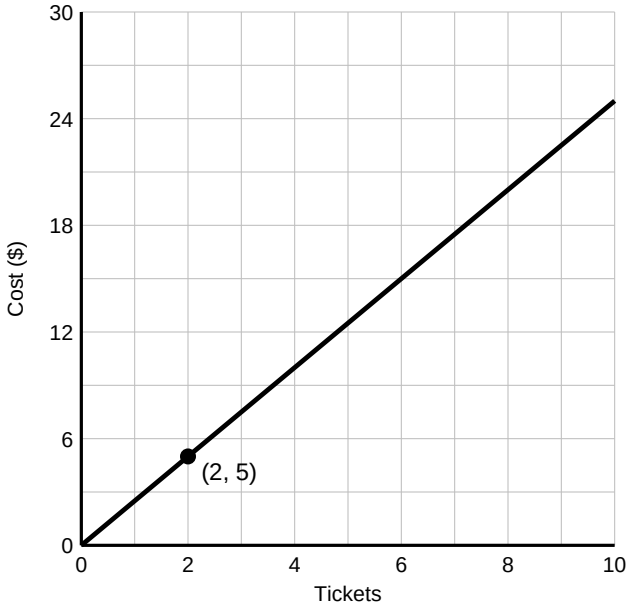

k = _____ Equation: _____

2.

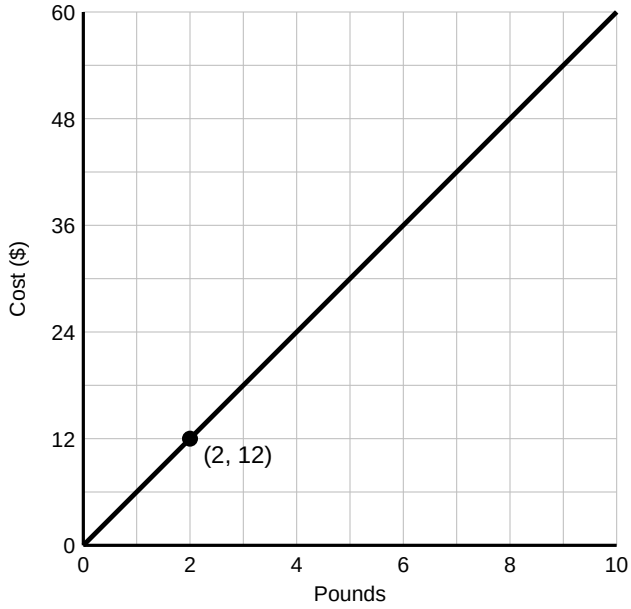

k = _____ Equation: _____

3.

k = _____ Equation: _____

4.

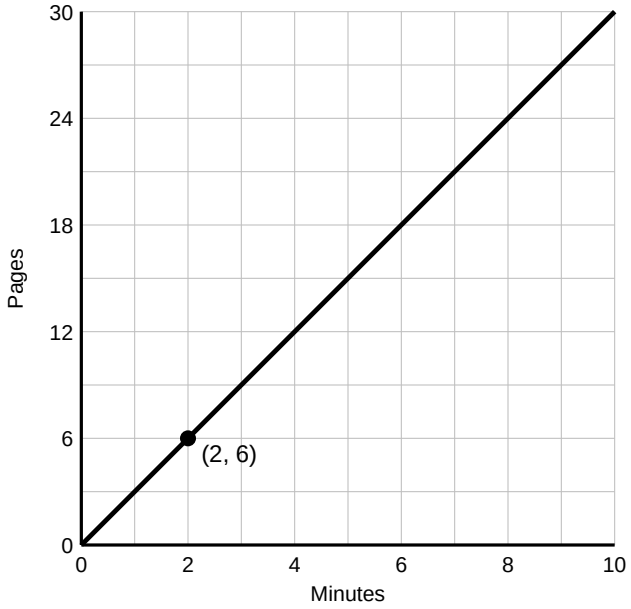

k = _____ Equation: _____

Name: **ANSWER KEY**

Graphs of Proportional Relationships

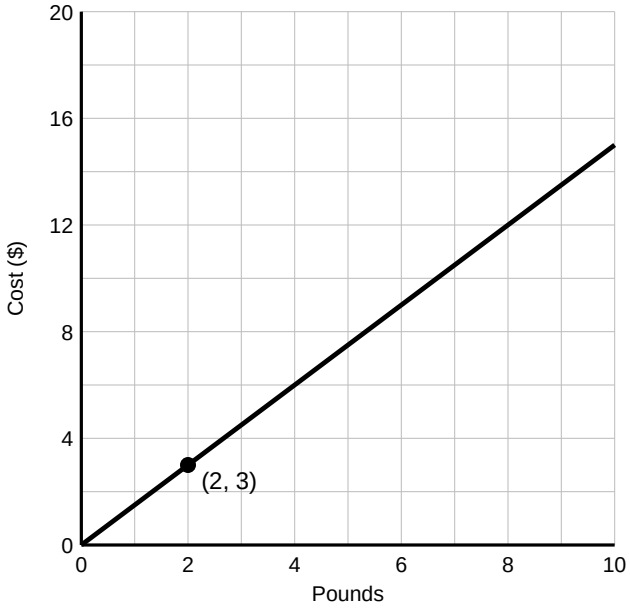

Each graph shows a proportional relationship. Use the labeled point to find k and write the equation.

1.

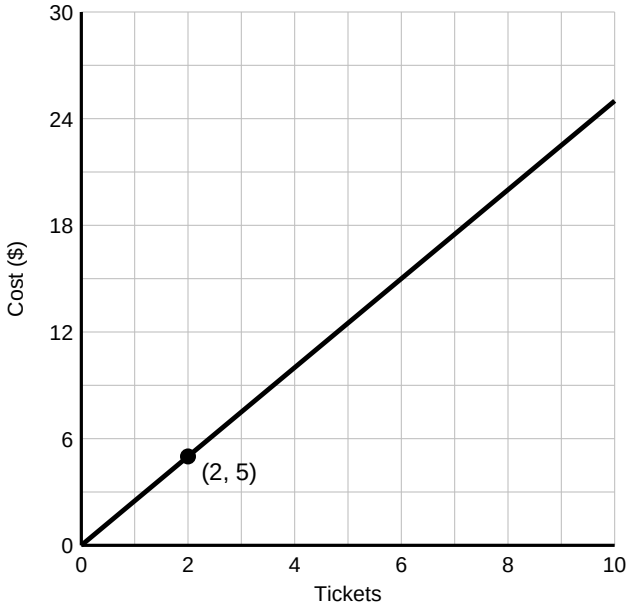

k = **3** Equation: **y = 3x**

2.

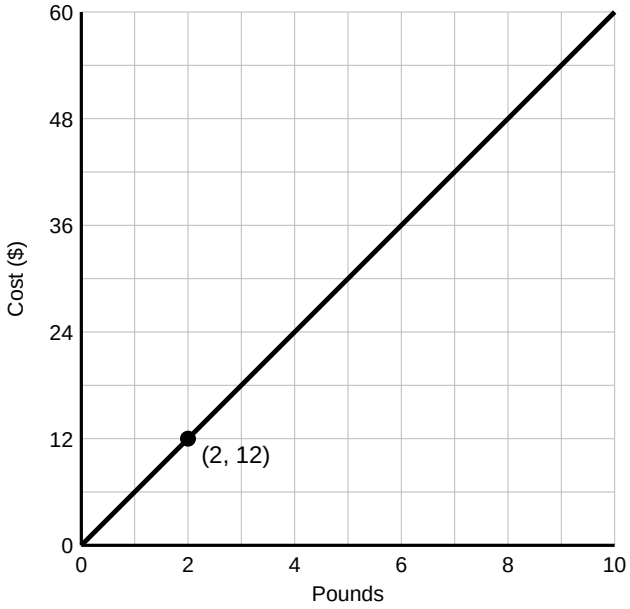

k = **1 1/2** Equation: **y = 1 1/2x**

3.

k = **2 1/2** Equation: **y = 2 1/2x**

4.

k = **6** Equation: **y = 6x**
